Dan just heard back from Republic – they plan to mobilize on October 28th. Subcontractors needed time to reschedule their equipment and staff. They project completion of GCPT work by Thanksgiving.

Here's what I'm doing to accomplish our list of to dos that we agree this morning

I have calls scheduled tomorrow with Sarah PP at MDNR and Missouri AG Chris Koster's chief of staff Jim Farnsworth to report we plan to activate oversight of the GCPT next week

Hoping CT can have fairly solid dates for Dan G to be on site to share with them

Please determine a good time next Tuesday to have an elected briefing (Clay, Wagner, 2 senators, County Exec office); and put together some talkers I can use for calls to Tomich, Capra, and Fick (AP) to update them. Please ask Debbie Kring to figure out best time for me to call CAG chair after elected (Tue or Wed fine). Would like to make sure we have solid dates for resumption of EPA oversight: CNSL should have let PRPs know today that we anticipate being ready to mobilize next week.

Thx,
